

Laura “Laurie” Gonzalez, CMCA, AMS, PCAM has over twenty years’ experience in business administration, real estate management, asset management and property management with the last seven years in Association management.

Laurie’s dedication to the industry continues through her Community Association Institute’s membership, volunteerism (currently serving as the Chair of the CAI Pocono Mountains Regional Council) and education for professional designations. Laurie has earned and maintains the Certified Manager of Community Associations (CMCA), the Association Management Specialist (AMS) and Professional Community Association Management (PCAM) designations.

Laurie joined Preferred Management in December 2015 and is the Onsite Community Manager for the Blue Mountain Lake Club.
